

GOD'S KINGDOM vs. MY KINGDOM

- Even as a believer I can still wrongly live for my own kingdom, where my mission is to protect myself and my story.
- I often believe Jesus joins **My** kingdom, *where I am king/queen*, to make **My** kingdom work.
- When my kingdom fails, I may believe that God has failed me.
- God places me in **His** Kingdom, *where Jesus is King*, to accomplish **His** purposes.
- When I seek His Kingdom and His righteousness, He provides all I need to put Him and His Glory on display. (Matt. 6:33)
